

COLDWELL BANKER IN COSTA RICA

LUXURY BEACH PROPERTIES

Lovely Ocean View Equestrian Farm

This is an amazing Costa Rica beach real estate property. It is located very near to the port in Lagarto beach and the Junquillal estuary. The owner of this property will be able to get down to the beach in just 5 minutes by car. Space, space, space. This property is expansive! It measure nearly 25 acres. It is well suited to various development plans due to its ample public road frontage. However, it can also be used as an individual private estate. This property will have ocean views from any second floor construction. The current owners have let the remainder of the land grow free thereby attracting myriad and diverse wildlife. There are also a few semi-annual running creeks. This is the true Guanacaste, Costa Rica. This property is far from urban sprawl but close to all the amenities that area is known for.
